

Application for Membership to The Artillery Reserve Inc.

Article II

The Artillery Reserve Assoc. is established for the purpose of being a non-political, non-profit, memorial organization established to commemorate some of the aspects of our American Heritage. Specifically, this organization reenacts the function of the Light Field Artillery of the American Civil War era.

This Artillery Reserve Corporation represents member organizations and individuals to event sponsors and their agents, both military and civilian, in order to negotiate improvements in bounties, appearance fees, amenities, and camping areas, as well as the reduction or elimination of event registration fees.

Please read the following before reviewing and printing this application of membership with this corporation.
